RE: Reference for Burling Ranger Company Inc.

This letter of reference is to express our appreciation for the services provided by Burling Ranger for the construction of the South East Collector Project performed under sub-contract to Maple Reinders Constructors Ltd.

The South East Collector Project was a project for Maple Reinders Constructors Ltd., and Burling Ranger was our subcontractor for the masonry work.

Our firm has had an excellent working relationship with Burling Ranger on this and various other projects. We have subcontracted Burling Ranger on several projects and they remain a preferred subcontractor for masonry works. We very much appreciate their responsiveness and commitment to quality. We are also pleased with the performance of the staff, and their professional attitude throughout the duration of each project.

Based on our experience, we would not hesitate to recommend Burling Ranger to anyone requiring their services.

If you require any clarification of the above, please do not hesitate to contact our office.
